

**MICHIANA  
ESCAPES**

### **Escape Room Experience**

Immerse your employees in a memorable game where they must work together to find clues, solve puzzles and escape the room before the hour is up. The puzzles are designed to teach teamwork, effective communication and problem solving. Participants will leave with a better understanding of their team's dynamics and most importantly, a fun experience to promote relationships not centered on the work place.

*Package includes:  
60 Minute Experience  
6-20 participants  
\$25.00 per person*

### *Corporate Packages*

#### **Dissertation**

Participants complete a questionnaire prior to their escape experience. Within two weeks following their experience, the Executive Director or designee will receive a written dissertation regarding the escape experience from our professional team building partners at Skylight Leadership. The dissertation will highlight the team's strengths and weaknesses, outline potential obstacles, and evaluate how the team responds to adversity under pressure. Also, we will identify personality traits which contribute toward, or hinder, the team's success.

*Package includes:  
Pre-training questionnaire  
Video of escape experience  
Written dissertation  
Conference call debriefing  
\$350*

## **Corporate Training**

Skylight Leadership professionals provide a two hour team building training immediately following your team's escape experience. The training will utilize specific examples from the team's experience and focus on how to transfer lessons learned to the workplace.

*Package Includes:*

*Pre-training questionnaire*

*30 minute debriefing*

*2 hour team-building training*

*Private training room*
